The screenshot shows the Mentimeter website interface. At the top, there is a navigation menu with links for Business, Education, Enterprise, Learn, Pricing, and Talk to sales. A blue button labeled "Go to home" is positioned in the top right corner. Below the navigation, a light purple banner contains the text "Enter code to join a live Menti" followed by a text input field containing the code "1234 5678" and a "Join" button. A large green oval highlights this banner area. The main content area features the question "What will you ask your audience?" in a large, bold font. Below the question, a subtitle reads "Turn presentations into conversations with interactive polls that engage meetings and classrooms." A dark blue button labeled "Go to home" is centered below the subtitle, with the text "No credit card needed" underneath it. In the bottom right corner, there is a watermark for "Activate Windows" with the instruction "Go to Settings to activate Windows." The browser's address bar shows "mentimeter.com" and the page title is "Interactive presentation software".
